

Physical Therapy @ ACAC Clients of Data Security Breach

Physical Therapy @ ACAC (“PT-ACAC”) has become aware of an incident that may have exposed some individuals’ personally identifiable information/protected health information. PT-ACAC takes privacy very seriously and has taken steps to notify individuals who may have been affected by this incident. PT-ACAC sincerely regrets any inconvenience that this incident may cause and remains dedicated to protecting individuals’ personal information.

What Happened: On June 20, 2022, Atlantic Coast Athletic Clubs (“ACAC”) in conjunction with PT-ACAC, discovered that an unauthorized individual potentially accessed files containing PT-ACAC and ACAC data on its shared server. After learning about this incident, ACAC promptly engaged a third party cybersecurity firm to conduct a forensics investigation to analyze the nature and scope of the Incident, and to determine whether any client or patient data may have been exposed as a result of the Incident. That forensic investigation concluded on August 4, 2022. Throughout the forensic investigation, ACAC kept PT-ACAC apprised of the investigation. PT-ACAC is currently in the process of reviewing any potentially impacted files to determine what, if any, personal information was accessed.

What Information Was Involved: Our investigation to date indicates that certain files potentially containing patient information may have been subject to unauthorized access. PT-ACAC is posting this notice out of an abundance of caution while it completes its investigation. PT-ACAC is currently working to determine what patient information was impacted but it may have included: Name, address, limited protected health information, and limited treatment information. At this time PT-ACAC has no reason to believe that any information has been misused as a result of this incident.

What We Are Doing and What You Can Do: In response to this incident, PT-ACAC has taken the following steps to protect your information in the future: Retraining staff and implementing safeguards to protect patient information. PT-ACAC will contact you by mail if your information was impacted. Meanwhile, PT-ACAC refers you to the *Additional Important Information* section of this notice, which provides you with further information to obtain your credit report, place fraud alerts and freeze your credit.

More Information: PT-ACAC sincerely regrets any inconvenience that this incident may cause and remains dedicated to protecting your information. If you have any questions or concerns about this incident, please contact the toll free number 1-800-939-4170, 6am to 6pm Pacific Time, Monday through Friday, except holidays.

For residents of Massachusetts: It is required by state law that you are informed of your right to obtain a police report if you are a victim of identity theft

For residents of all states:

Fraud Alerts: You can place fraud alerts with the three credit bureaus by phone and online with Equifax ([https://assets.equifax.com/assets/personal/Fraud Alert Request Form.pdf](https://assets.equifax.com/assets/personal/Fraud%20Alert%20Request%20Form.pdf)); TransUnion

(<https://www.transunion.com/fraud-alerts>); or Experian (<https://www.experian.com/fraud/center.html>). A fraud alert tells creditors to follow certain procedures, including contacting you, before they open any new accounts or change your existing accounts. For that reason, placing a fraud alert can protect you, but also may delay you when you seek to obtain credit. As of September 21, 2018, initial fraud alerts last for one year. Victims of identity theft can also get an extended fraud alert for seven years. The phone numbers for all three credit bureaus are at the bottom of this page.

Monitoring: You should always remain vigilant and monitor your accounts for suspicious or unusual activity.

Security Freeze: You also have the right to place a security freeze on your credit report. A security freeze is intended to prevent credit, loans, and services from being approved in your name without your consent. To place a security freeze on your credit report, you need to make a request to each consumer reporting agency. You may make that request by certified mail, overnight mail, regular stamped mail, or by following the instructions found at the websites listed below. The following information must be included when requesting a security freeze (note that if you are requesting a credit report for your spouse or a minor under the age of 16, this information must be provided for him/her as well): (1) full name, with middle initial and any suffixes; (2) Social Security number; (3) date of birth; (4) current address and any previous addresses for the past five years; and (5) any applicable incident report or complaint with a law enforcement agency or the Registry of Motor Vehicles. The request must also include a copy of a government-issued identification card and a copy of a recent utility bill or bank or insurance statement. It is essential that each copy be legible, display your name and current mailing address, and the date of issue. As of September 21, 2018, it is free to place, lift, or remove a security freeze. You may also place a security freeze for children under the age of 16. You may obtain a free security freeze by contacting any one or more of the following national consumer reporting agencies:
